Cohasset, MA 02025

The Learn-to-Skate USA program is for skaters of all levels & abilities who wish to learn the skills needed to **join a figure skating or hockey program, or just have FUN!** Instruction is provided by our Professional Staff with years of experience preparing children with a solid foundation of basic skating skills.

**BEGINNER PROGRAM**—For ages 3 to 5 yrs old. Program includes 25 minutes of basic instruction in a fun, smaller class environment. Once the 9:40 AM classes are full, additional classes at 10:15 AM will be added on a first-come, first-serve basis. Children are moved to the next program when they can pass the minimum test level.

**LEARN TO SKATE / AGES 6+ to ADULT** This program includes a 40 minute lesson and a 20 minute practice session. Skaters are divided based on age and ability. First time skaters are welcome at any age! End of session testing included. All skaters are eligible to participate in special events, family skates, and the Annual Ice Show held in the Spring.

### **NEW! STICK & PUCK PRACTICE TIME!**

For children enrolled in the 60 minute Learn to Skate program, they now have the option to practice with a stick and puck during the 20 minute free skate session (in the designated area of the ice). Full gear not required but helmet and gloves necessary.

### **HOCKEY SKILLS CLASS**

A specialized hockey skating skills/Learn to Skate class for those skaters wanting to join a Learn to Play hockey program, or team, in the future. Skaters must have passed out of our Beginner class to qualify. Hockey gear preferred, but not required.

### **NEW! ADVANCED LEARN-TO-SKATE FOR FIGURE SKATING**

For skaters interested in learning more advanced figure skating skills and/or beginner competitions. Class is offered at 10:50AM on Saturdays. Skaters must pass a minimum test with an instructor prior to joining. Includes Intro Membership with our Figure Skating Club. Ask our Skating Director for additional information!

### **SPECIAL EVENTS/FAMILY SKATES**

Special events and open family skates are offered throughout the season at no additional cost! Watch your email for upcoming dates!
