I certify that the above named applicant has demonstrated a degree of "skating ability" and "risk sense" so as not to present a safety hazard to themselves or to any other individual(s) with them on club ice. **Basic Skills members or hockey skaters** MUST have a private lesson coach present and on the ice in order to get on the ice. Basic skills or hockey skaters will be permitted to skate prior to, or after, their private lesson for the remainder of a session **ONLY** if a Board member present deems there is no safety risk. Hockey skaters **MUST** be under the control of their private lesson coach at ALL TIMES

Professional Staff Member Signature: _____

Applicant and/or parent agrees to abide by all the provisions as set forth in the bylaws of the USFS, The Skating Club of Hingham, the "Rules and Regulations" of the Skating Club of Hingham, as well as all additional rules put in effect during the term of the membership. COVID-19 Waiver must also be on file.

Parent's Signature: _____

Basic Skills only \$60.00 _____ (Date paid _____)

Club Policies/Rules and Regulations for Ice Sessions

Updated 6/1/18.

These rules are applicable for all Skating Club of Hingham ice sessions. Each item must be initialed prior to acceptance of membership, and signed below. PLEASE MAKE SURE YOUR SKATER READS AND UNDERSTANDS EACH ITEM.

- _____1. Skaters and parents are advised that any abuse of the rules and regulations of The Skating Club of Hingham may result in the skater being excused from the ice for a period of time to be determined by the Board of Directors. Courtesy is expected at all times. Discourteous comments regarding any skaters, professionals or parents, in the building or on the ice will not be tolerated.
- _____2. For safety reasons, the Board of Directors have the authority to remove a skater from the ice if their behavior or ability places the skater or other skaters at risk, regardless of level.
- _____3. Skaters **MUST** sign in and pay with venmo or a check prior to the start of each session.
- _____4. Any skater performing their program has the **ULTIMATE right of way**. Please take a moment when music is playing to identify which skater is doing their program. Skaters should wear the orange belt when it's their music. Skaters in a lesson have secondary right of way, after the skater doing their program.
- _____5. A skater who has **already started entry to a jump** should be given the right of way. NOTE: This does not mean that if a skater is spinning or doing footwork that they have to move for the jumper. This means if one person is skating and not in a specific move and sees another entering a jump, the skater starting the jump should have the right of way as a matter of safety. DO NOT start a jump if someone has already entered a spin in the same spot, or the other skater has their back to you, and is coming your way! And, remember, skaters already in a CAMEL SPIN cannot move for you!
- _____6. Skaters **MUST** be aware of jump patterns & traffic on the ice, and not linger in the corners of the ice. If a skater wishes to practice for several minutes in one spot, they must watch for skaters setting up jumps and immediately MOVE out of the way..... **Specifically the corners!!!!**
- _____7. Programs will be played in the order they are placed in line. A skater in lesson may have their coach "bump" the line once, in front of those skaters not currently in a lesson. A coach may not bump more than twice until all skaters in line have gone at least 1 time.
- _____8. All skaters have the right to get their music played, as time permits. CD's should be placed in line, on the wall. Coaches giving lessons may go ahead, **IF** their student has not already had their music played. If they want to go again, they must wait until other skaters have theirs at least once, if they desire. Having multiple programs does not entitle a skater to go ahead of someone who hasn't gone at all. You must wait until everyone has a chance to go **ONE** time.
- _____9. All non-member CDs are placed at the end of the rotation behind club members. Full club members have priority over beginner members or non-members if there is not enough time in a session for everyone to go 1 time.

- _____ 10. Skaters should NOT be talking or standing in groups in the corners or middle of the ice. Skaters should keep moving when they are on the ice. If they need a break, they should **leave the ice.**
- _____ 11. Before moving away from the barrier or when stepping onto the ice surface, the skater should make sure he or she is not in the path of another skater. "Heads Up" at all times.
- _____ 12. All skaters are expected to get up immediately after a fall unless stunned or injured.
- _____ 13. **Before using the harness**, a signed waiver must be completed. Staff coaches and full club members have priority over all others wishing to use the harness. Coaches must be respectful of time if another coach makes a request to them to use the harness.
- _____ 14. **Basic Skills members or hockey skaters** MUST have a private lesson coach present and on the ice in order to get on the ice. Basic skills or hockey skaters will be permitted to skate prior to, or after, their private lesson for the remainder of a session **ONLY** if a Board member present deems there is no safety risk. Hockey skaters **MUST** be under the control of their private lesson coach at **ALL TIMES.**

Walk-on Rules

1. All walk-on skaters must be members of USFS or ISI. Non-members must produce their USFS or ISI membership card upon request. Non-member walk-on skaters are allowed on the ice at the discretion of a Board member present at the rink.
2. The order of preference for walk-on skaters is as follows: a) Full members ; b) Beginner Members; c) Basic Skills members having a lesson that day, d) Alumni/Adult members; e) Collegiate members; f) Non-club USFS skaters.
3. Any non-member professional who wishes to teach on any SCOH club ice or participate in club sponsored activities, must present their USFS coaching credentials including proof of liability and background screen. The SCOH reserves the right to revoke any "non-staff member" coaching privileges **AT ANY TIME** at the discretion of the Board.

Signature: Parent or Legal Guardian if not of legal age.
