Club Policies/Rules and Regulations for Ice Sessions

Updated 5/1/22.

These rules are applicable for all Skating Club of Hingham ice sessions. Each item must be initialed prior to acceptance of membership, and signed below. PLEASE MAKE SURE YOUR SKATER READS AND UNDERSTANDS EACH ITEM.

- _____1. Skaters and parents are advised that any abuse of the rules and regulations of The Skating Club of Hingham may result in the skater being excused from the ice for a period of time to be determined by the Board of Directors. Courtesy is expected at all times. Discourteous comments regarding any skaters, professionals or parents, in the building or on the ice will not be tolerated. Conduct in accordance with SafeSport guidance is expected and required.
- _____2. For safety reasons, the Board of Directors have the authority to remove a skater from the ice if their behavior or ability places the skater or other skaters at risk.
- _____3. Skaters **MUST** sign in and pay with venmo or a check **PRIOR** to the start of each session.
- _____4. Any skater performing with music has the **ULTIMATE right of way**. Please take a moment when music is playing to identify which skater is performing to their music. Skaters should wear the orange belt when it's their music. Skaters in a lesson have secondary right of way, after the skater doing their program.
- _____5. Skaters **MUST** be aware of jump, music, dance patterns & traffic on the ice, and not linger in the corners of the ice. If a skater wishes to practice for several minutes in one spot, they must watch for skaters setting up jumps or doing programs and immediately **MOVE** out of the way..... **Specifically the corners!!!!**
- _____6. Programs will be played in the order they are placed in line. A skater in lesson may have their coach "bump" the line once, in front of those skaters not currently in a lesson. A coach may not bump more than twice until all skaters in line have gone at least 1 time.
- _____7. All skaters have the right to get their music played, as time permits. CD's (or a placeholder such as a cell phone) should be placed in line, on the boards. Coaches giving lessons may go ahead one time, **IF** their student has not already had their music played while in lesson. If they want to go again, they must wait until other club members have theirs at least once, if they desire. You must wait until everyone has a chance to go **ONE** time.
- _____8. All non-member CDs are placed at the end of the rotation behind club members. Full club members have priority over beginner members or non-members if there is not enough time in a session for everyone to go 1 time.
- _____9. Skaters should NOT be talking or standing in groups in the corners or middle of the ice. Skaters should keep moving when they are on the ice. If they need a break, they should **leave the ice**.
- _____10. Before moving away from the boards, or when stepping onto the ice surface, the skater should make sure he or she is not in the path of another skater. **"Heads Up" at all times.**
- _____11. All skaters are expected to get up immediately after a fall unless stunned or injured.

_____ 12. **Before using the harness**, a signed waiver must be completed. Staff coaches and full club members have priority over all others wishing to use the harness. Coaches must be respectful of time if another coach makes a request to them to use the harness.

_____ 13. **Basic Skills members or hockey skaters MUST** have a private lesson coach present and on the ice in order to get on the ice. Hockey skaters **MUST** be under the control of their private lesson coach at ALL TIMES. Full sprints the length of the ice is only allowed under the direction of the Coach, if space allows for safety, and other coaches are aware. **Sprints are NOT allowed if MUSIC IS PLAYING!!!!**

Walk-on Rules

1. All walk-on skaters must be members of USFS or ISI. Non-members must produce their USFS or ISI membership card upon request. Non-member walk-on skaters are allowed on the ice at the discretion of a Board member present at the rink.
2. The order of preference for walk-on skaters is as follows: a) Full members ; b) Beginner Members; c) Basic Skills members having a lesson that day, d) Representing members, e) Alumni/Adult members; f) Collegiate members; g) Non-club USFS skaters.
3. Any non-member professional who wishes to teach on any SCOH club ice or participate in club sponsored activities, must present their USFS coaching credentials including proof of liability and background screen. The SCOH reserves the right to revoke any "non-staff member" coaching privileges AT ANY TIME at the discretion of the Board. Non-Staff or Reciprocal coaches are charged \$10 per day for coaching privileges which must be paid in advance of the session.
